UNINSPIRING & DULL SURFACES DON'T ENCOURAGE TO EXERCISE AND PLAY...

Obstacles

Image of reality. Uninspiring dull surfaces don't encourage people to exercise.

Especially not children and youngsters. In the digital era with smartphones and tablets, we need to make it fun and alluring to become more active.

The solution

Attract children and young people to be more physically active.

Accessible and inspiring activity spaces that encourages all people to sport and play with no need for booked training times.

The effect

HEALTHIER and HAPPIER children, parents, school and community.

Sporting leads to:

- Better health and better school results.
- Less screentime and interaction with other people, contributes to better INTEGRATION and SOCIALIZING.
- Better interaction between girl and boy, young and old, different socio-economic backgrounds.

**COLORFUL COURTS ENCOURAGE
PLAY, MOVEMENT & SOCIALIZATION.**

WISH - an environmentally sustainable solution from Bergo that contributes to better health and integration, worldwide.

**BERGO SPORTS FLOOR QUICKLY TRANSFORMS
ANY FACILITY TO A SPORTS HALL**

HEALTHIER AND HAPPIER PEOPLE!

SUCCESSFUL OUTDOOR COURTS CONSTRUCTION PROGRAM

Bergo Flooring is a proud sports flooring supplier to the large project when the Hungarian government and the National Handball Federation sponsored the project to increase the availability of sports and health in schools and public places. The public Bergo sport courts are widely used for any game and attracts to play!

ONE FLOOR — MANY POSSIBILITIES!

Uppsala Summer Zone

Bergo Sports Flooring transforms any dull area to an attractive alluring sports surface!

An impressive facility that Uppsala municipality offers its residents with seven attractive Bergo Sports Courts at Uppsala Summer Zone.

FAST, ECONOMICAL SOLUTION

Bergo Sports Flooring is easy to lay and can be placed on an existing surface without fasteners such as glue, screws or nails.

SUBFLOOR

Concrete or asphalt as sub ground is recommended, but Bergo Sports Flooring can also be installed on hard compressed sand / stone powder.

QUICK INSTALLATION

Bergo Sports Flooring can as an option be supplied as pre-assembled sheets or/and as single tiles, which means that the floor can be laid very quickly.

We offer complete systems including court markings, etc. Contact us for more details.

MINIMAL MAINTENANCE

BERGO requires virtually no maintenance. Normal floor care such as occasional wet cleaning, vacuuming and/or power hosing is usually all that is needed. The flooring system is without doubt a cost saving alternative to high maintenance floors/coatings.

Bergo Multifix

Bergo Multifix is a well-tested cleaning agent for heavily soiled Bergo floors. Most cleaning agents can be used to remove dirt, but some are especially suited for composites.

THIS IS BERGO

Bergo is the original since 1972 and with 50 years of experience, Bergo Flooring is the world leader in multi-functional floor tiles. All production is proudly made in Sweden with the highest quality.

WHAT WE DO

We make ECO-friendly, award-winning floor tiles specially developed for various applications within five different business areas: HOME, PUBLIC, EVENT, SPORT & MARINE.

WHY CHOOSE BERGO

Bergo is pure, functional design. A Bergo floor solves many problems thanks to the ventilating and flexible design and is particularly suitable for installations on damp surfaces, but also on uneven subfloors. Our products are available in a wide range of colors, harmoniously coordinated.
